

meet the 
TEACHER!

Mrs. Kelley Gowling

About Me

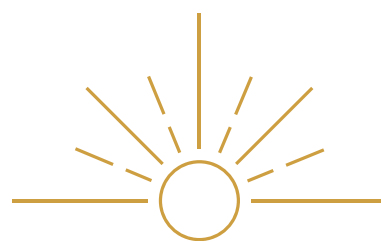

I am the fourth grade classroom teacher, as well as the P.E. teacher for grades 1-8. I grew up in the Milwaukee area and was a St. Paul's Eagle of Muskego. In fourth grade, my favorite subject was reading and chicken patty sandwich was my favorite school lunch. I still love reading and today my favorite school lunch is tacos. At home I love to garden and go for walks.

My Family

Being a mom is amazing and I love all of the mom stuff I do with and for Joseph (5th), Nora (3rd), and Jack (3K). Mr. Gowling and I both do a lot of coaching and love going to our children's practices and games. Music is another favorite in our house. Joseph and Nora take lessons in piano and voice. Jack tries to play the piano like Joe, and sing along with Nora, and we all enjoy his attempts. We also like to play loud music in the morning and dance around the kitchen.
