

All About Your Teacher

Ashley Howe

About Me

This year I will serve as the floating teacher's aid in many of our classrooms. I have been a lifelong member of St Paul's and also attended St. Paul's school. It has been wonderful to see how the school is growing and I am so excited to serve on the staff this year. My education background is attending both U.W. Stout and C.V.T.C for Early Education and Nursing. I enjoy camping and being outdoors exploring with friends and family.

My Favorites

Some of my favorite things are Coffee, sushi and the color Red. My favorite school subject is History or Literature. A favorite Bible verse of mine is 1 Corinthians 15:58 "Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourself fully to the work of the Lord, because you know that your labor in the Lord is not in vain."

My Family

Brent and I were married in 2010 and have 3 kids Laurane age 9, James age 7 and Michael age 4. We have 2 dogs Winston and Ruby.
